I hardly know how to thank you enough for it. It's superior to powders or plasters. I can keep my feet in perfect condition. Believe in my earnest gratitude for TIZ. I am a policeman and keep on my feet all day."—Emzy Harrell, Austin, Texas.

You never tried anything like TIZ before for your feet. It is different from anything ever before sold.

TIZ is not a powder. Powders and other foot remedies clog up the pores. TIZ draws out all poisonous exudations which bring on soreness of the feet, and is the only remedy that does. TIZ cleans out every pore and glorifies the feet—your feet.

You'll never limp again or draw up your face in pain and you'll forget about your corns, bunions and callouses. You'll feel like a new person.

# TO BE IMPROVED

If Aviation Meet Comes Aerodrome Will Be Nearly Perfect.

Pending the return of George O. Tot-ten from New York, the site committee, of which he is a member, has deferred the acceptance of the 200 acres of land adjoining the aviation course at College Park, which, it is asserted, will make the site an ideal one for the international aviation meet. Mr. Totten is ex-

pected home tomorrow morning.

It is said that the additional 300 acres will dispose of the sole objection Courtlandt Field Bishop had to the meet taking place at College Park. The present course, according to Mr. Bishop, did not allow of the aviators running their machines at full speed, as the sharp turns would naturally slow up the aero-

Wide Track.

Mr. Bishop, it is said, stated that if the track was 300 feet wide, he could see no objections to the meet being held at College Park. It is said that the additional land will make the course the required width.

It is believed there will be no objec-tion to the land, as it undoubtedly will be cleaned of the wood, and the marshes will be drained. Aviators object to flyng above marshy land, owing to the danger of descending in a swamp, wher more or less difficulty is experienced in

It is planned to have the course en ircled by a track 200 feet wide, and to have the land inside the course strippe will make the course an ideal one. Eliminate Angles.

Mr. Totten's departure postponed the planned to so arrange the field that the resent sharp angles will be done away This probably will place the grandstand near the Baltimore and Ohio tracks. The work of locating the course

will be resumed on Mr. Totten's return.

After the course has been mapped out a drawing of it will be submitted to expert aviators, including Paulhan, the Wright brothers, and Curtis, for approval. While Mr. Bishop and the committee are technically responsible for the selection of the site, they are guided by the decision of the practical operators.

### BALTIMORE DUPE OF HOCH · SEEKS TO REGAIN PENSION

Veteran's Widow Says She Surrendered Claim After Sham Wedding in Cincinnati to Notorious Bigamist and Murderer.

A Baltimore woman has appealed to Congress to restore her pension, saying that she had surrendered it twelve years ago in becoming the duped wife of Johann Hoch the notorious bigamist and murderer.

She is Mrs. Margaret A Thomas, widow of James A. Thomas, a veteran of Grant's army.

Mrs. Thomas claims she went through a fake marriage ceremony while under the impression that she was being wedded to Howard Kyle, of Cincinnati, but in reality she was being deceived by Hoch, who, she claims, had a wife or maybe a dozen. She says, therefore, that her surrender of the pension was illegal. In a petition presented to Congress through Representative Kronmiller of Maryland, Mrs. Thomas claims that in April, 1828, she replied to an advertise-
